

# IRS VALUATION GUIDE FOR KATHY'S HOUSE DONORS

Kathy's House

The U.S. Internal Revenue Service (IRS) requires donors to value their items to obtain a charitable donations itemized tax deduction. The items donated must be in good used condition or better, and the below listed price ranges are only estimated values. Be sure to get a receipt when you donate your goods. Kathy's House will not put a dollar amount on the receipt, but your receipt will serve to document that you made a charitable donation. To help guide you in valuing your donated items, Kathy's House has adopted this compiled list used by Goodwill Industries and others, providing price ranges for items commonly sold in Kathy's House thrift stores.
